Large volume, general cleaning

PK GIANT

125506575

DUAL FILTER RECHARGEABLE POOL VACUUM

Standard and fine cleaning in one single vacuum.
Fast and powerful cleaning.

Easy & Trouble-Free

3L (0.79gal)

Filter capacity

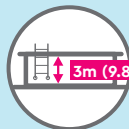

500

Power rating

Medium to large pools

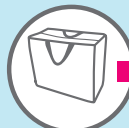

3m (9.8ft)

Cleaning depth

75 min

Autonomous run time

Free

Storage bag

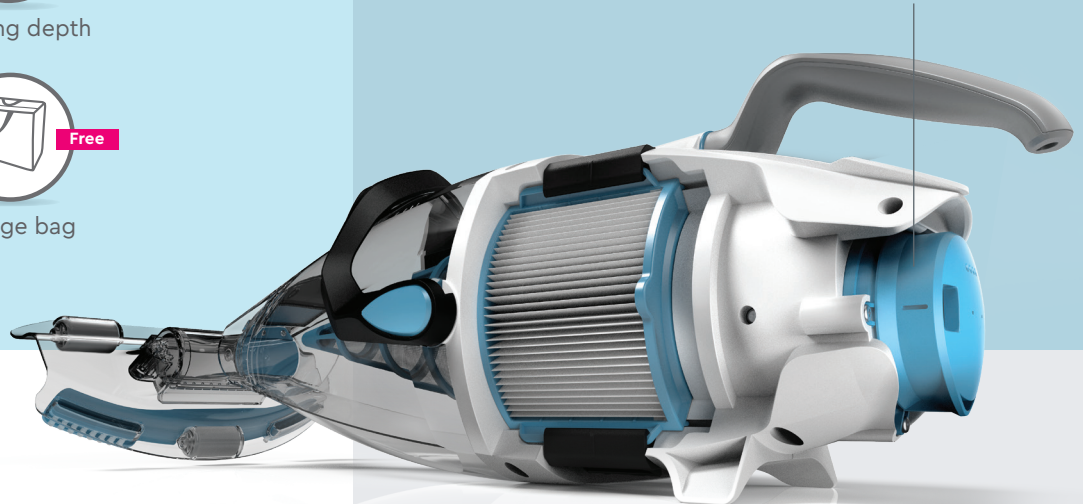

Powerful suction

Unique vacuum head design

Debris is vacuumed in through the side channels where suction is concentrated to ensure the maximum efficiency.

The debris canister is transparent to allow visual monitoring of collection throughout the cleaning process.

Watertight **Magnetic Switch**

Cleaning Power You Can See!

PLEATED FILTER CARTRIDGE, EASILY ADJUSTED TO TWO POSITIONS

Open for general cleaning

Closed for fine cleaning

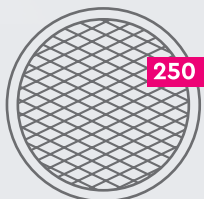

The fine-mesh, pleated filter has a large surface area to provide good filtration. It traps fine sand and sediment vacuumed up from the pool floor.

Connects to a standard telescopic pole (not included)

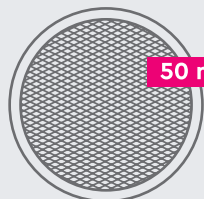

Replaceable cartridge filters

Patented Double Filtration System

250 micron

Standard stainless steel filter

50 micron

Fine mesh pleated filters

Single latch opening system

Features a quick drain system

Large volume, general cleaning

PK TURBO

125506576

Heavy-duty, large volume, rechargeable pool vacuum

For large quantities of leaves and fine debris
A versatile vacuum for all pool cleaning needs

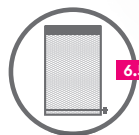

LED showing the status of the device; ready to use/ in operation/ clogged/ needs to be charged

Automatic ON/OFF operation with **water sensor**

Watertight **Magnetic Switch**

Flexible extensions facilitate cleaning over curved pool surfaces. Extensions are removable for cleaning in tight spaces

6.5L/1.72gal

Filter capacity

600

Power Rating

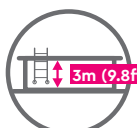

75 min

Autonomous run time

Medium to large pools

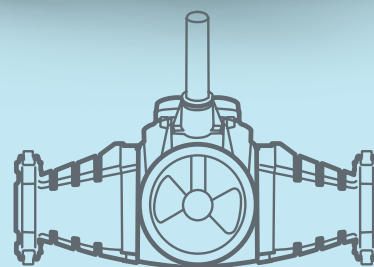

3m (9.8ft)

Cleaning depth

Free

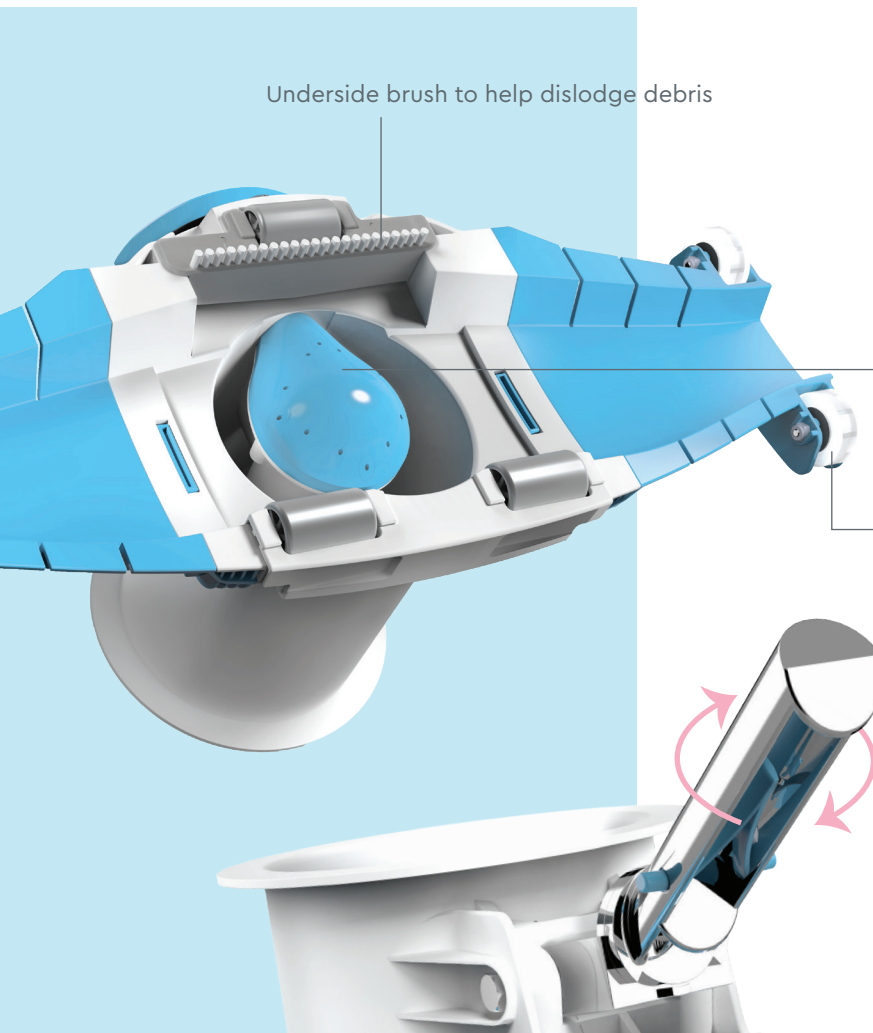

Storage bag

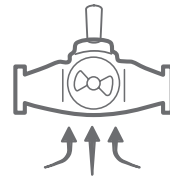

W 21cm/8in

W 51cm/20in

51cm/20in extra-wide body for large amounts of leaves and fine debris

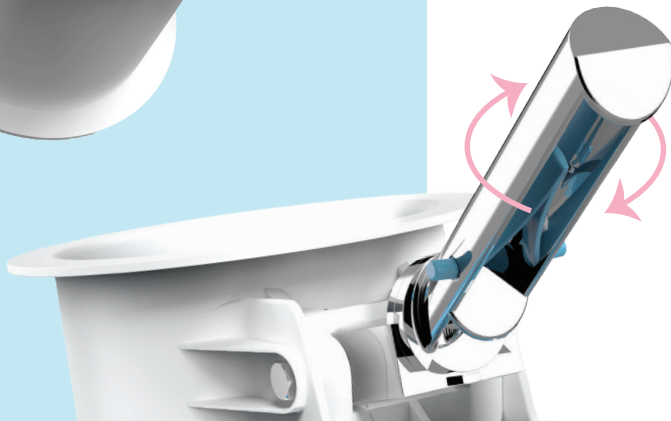

Underside brush to help dislodge debris

Powerful suction

Built-in safety mechanism stops the blades automatically if the device is clogged

Ball-bearing wheels ensure easy gliding over any type of pool surface

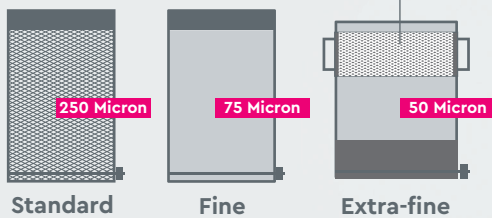

Robust, swivelling metallic handle can be connected to a standard telescopic pole (not included)

PATENTED CARTRIDGE FILTER BAG

Replaceable pleated cartridge filter captures fine sand and sediment from the pool floor

Includes 3 filters
